MONEY SAVVY KIDS™
Basic Personal Finance Curriculum

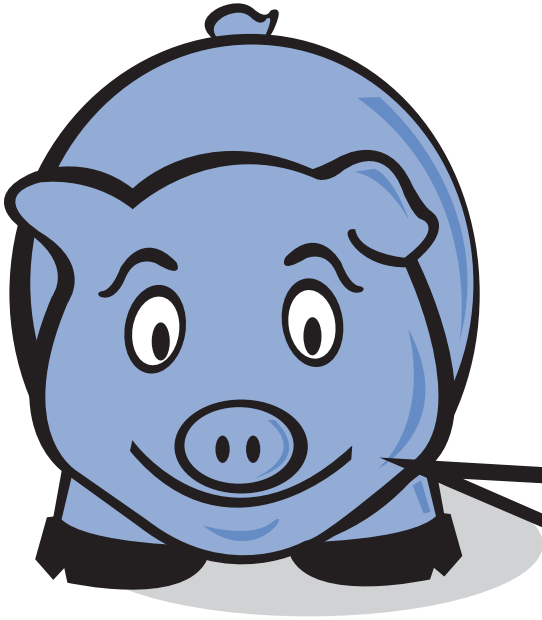

**How to Be a
Money Savvy Kid.
And even teach your
parents a thing or two!**

This book belongs to:

Level A

LESSON ONE

WORKSHEET: The Money Poem

When You're Smart with Money

Money buys the clothes we wear
And the food we eat.
Money pays for all our toys
And puts shoes on our feet.

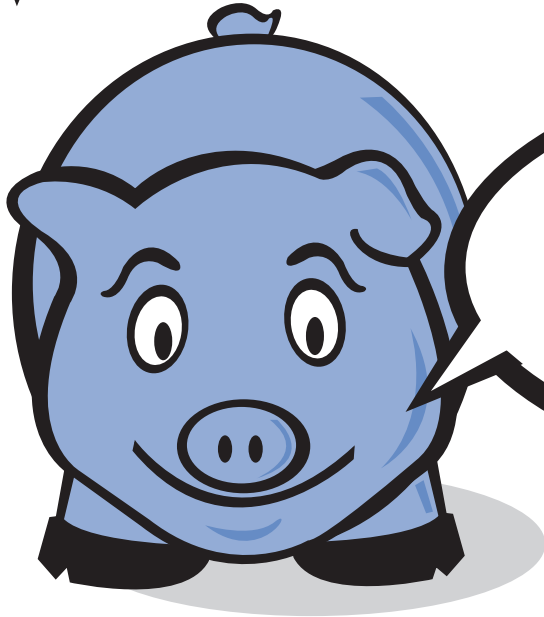

Money is for spending.
It's for saving, too.
When you're smart with money
It will be good to you.

Money is for saving
For college and a house.
When we save our money
We can visit Mickey Mouse.

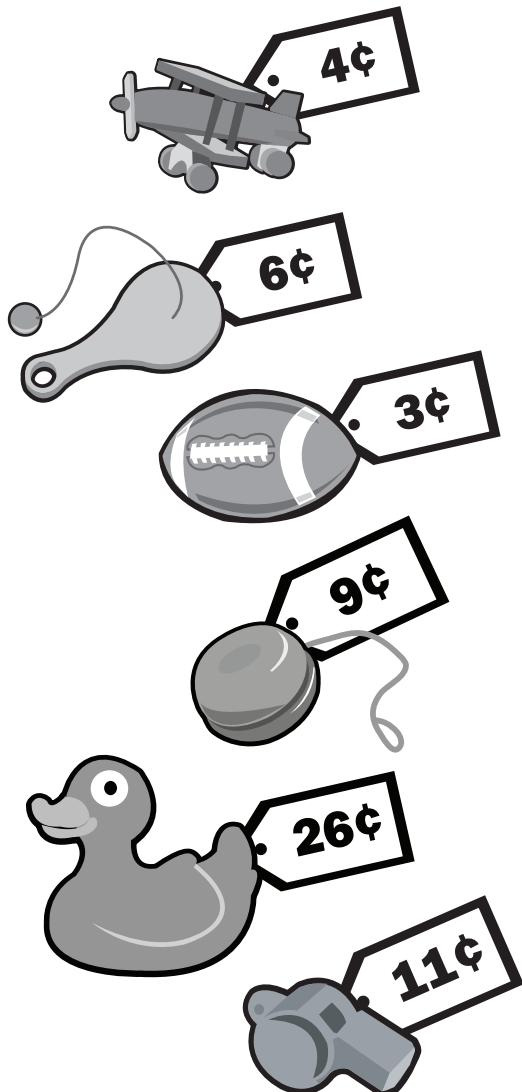

Money is for spending.
It's for saving, too.
When you're smart with money
It will be good to you.

LESSON TWO

WORKSHEET: The Coin Connection

Draw a line from the toys on the left to the coins that add up to the price tag.
