

# Student Activity Book

**MONEY SAVVY KIDS™**

Basic Personal Finance Curriculum

**How to Be a  
Money Savvy Kid.  
And even teach your  
parents a thing or two!**

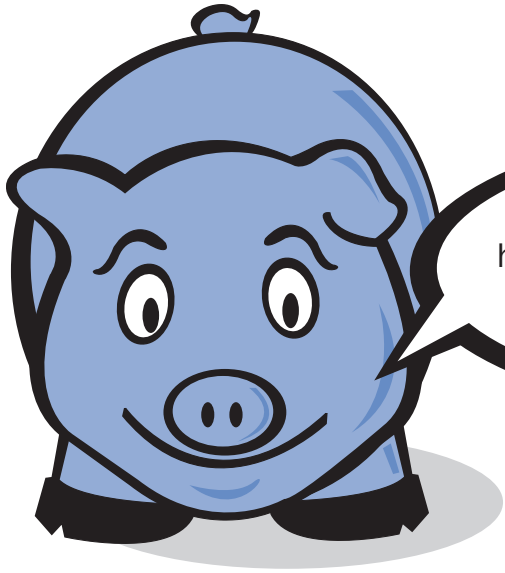

**This book belongs to:**

---

---

# LESSON ONE

## WORKSHEET 1: What did we learn about the history of money?

Now that you're an expert on the history of money, show me what you know! All the answers are things we learned in Lesson 1.

Name all the different kinds of coins you use today to buy things you want.

---

---

---

### Goods and Services

What kinds of services do you use?

---

---

---

### Ancient Money

Write the name of the largest money ever made.

---

---

---

What did people have to do to figure out how much their metal was worth? (Circle one)

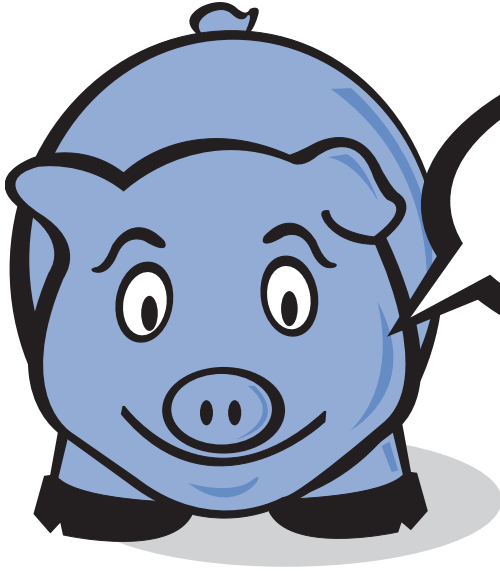

Weigh it

Bite it

Ask their parents

# LESSON ONE

## WORKSHEET 2: What did money look like?

Long ago, people used animals, food, and then metal as money. What would you have used for money 2,000 years ago? Draw a picture of your idea here. Then write a sentence about why it is valuable.

**Why would people think this is valuable?**

Handwriting practice lines consisting of a solid top line, a dashed middle line, and a solid bottom line. There are four sets of these lines provided for writing.
